Mr. W. A. Leuschner,
World Building,
New York City.

Dear Leuschner:

Received your letter today with the confirmations enclosed for Dexter Park June 1st, and Staten Island May 31st. About the 31st date, it was scheduled at the League Meeting as you know, and Semler had told me it would be played in Paterson. I expected him to promote the game and pay me the League guarantee. Due to the fact that we are in Yankee Stadium on the 30th, and in Dexter Park on the 1st, I believe I would rather stay idle on the 31st than to go in there and gamble. Then too, Mackey said he would not like to play any League games on that diamond, if it could be helped, as it is in such bad shape.

If you care to leave the date open I will see how we draw there this Saturday and what condition the field is really in, if I feel it is worth gambling on for the next Saturday, I will probably go in.

Very truly yours,
